HP V221 21.5-inch LED Backlit Monitor

The budget-friendly business display designed for every day.
This sleek, thin-profile LED monitor delivers 1920 x 1080 resolution, VGA and DVI inputs for easy connectivity, and an ample 21.5-inch diagonal screen size—all at an unbelievably low price point. Enjoy business-class brightness, contrast, and clarity in a monitor that's designed with the environment in mind and easy on the wallet.
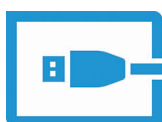

Affordable and stylish.
- Place this sleek, budget-friendly design that complements HP desktops and notebooks wherever you need it. The internal power supply keeps your desk tidy.

**Business-class presentation features.**
- Move freely around the 21.5-inch diagonal screen that offers plenty of room to multi-task across your documents and e-mail.

Designed with the environment in mind, and supported by HP.
- Be a better environmental consumer with a monitor that has arsenic-free display glass and mercury-free display backlights, and carries China Energy Label certification.
