Dell 27 Monitor | S2715H
68.58 cm (27 inches)

The Dell 27 Monitor offers you:

An enhanced visual and audio experience

Enhance your home entertainment fun with awesome features — crystal clear visual and audio, seamless widescreen viewing on an expansive screen — all in a virtually borderless monitor. Great for any home entertainment setting.

- Get sharp, vivid, cinematic-quality pictures with Full HD resolution and colors that are rich, consistent, and accurate across an ultra-wide 178°/ 178° viewing angle.
- Enjoy amazing sound quality with the S2715H's 2 x 9W integrated speakers for a crisp, full audio experience. Plus you can stream audio directly from your handheld device to the monitor for an immersive gaming or movie experience.
- Expand your view exponentially. Virtually borderless thanks to its ultra-narrow bezel, this monitor gives you an enhanced widescreen experience, easily allowing a seamless dual monitor view when the slimmest edges are placed side by side**.

Perfect for:

- Casual gaming
- Watching movies, video streaming
- Internet, viewing stocks online
- Listening to your favorite music

Flexible viewing and connectivity options

Offering easy connectivity with handheld devices and viewing comfort with choice of VESA mounting options and tilt capability.

- Display content and stream audio directly from your smartphone/tablet to your monitor and charge it at the same time when you connect your device via HDMI (MHL) to your monitor.
- Two USB 2.0 ports on the S2715H offer you the option to connect to more devices such as keyboard, mouse and thumb drives.
- VESA mount capability offers you the choice to wall mount or attach the monitor panel to the optional Dell Single Monitor Arm Stand for a clutter-free desk top.
- Easily customize to your preferred viewing angle by tilting 5° forward or 21° backward.

Reliability and eco-efficiency

- With Dell's Advanced Exchange Service³, a replacement monitor is shipped to you by the next business day, minimizing your downtime.
- Made of environmentally preferable materials, the Dell 27 Monitor is made from more than 25% post consumer recycled materials in its chassis, has BFR/PVC-free laminates in its circuit boards, an arsenic-free glass and a mercury-free LED panel.
- Rest assured that the S2715H meets the latest environmental standards such as ENERGY STAR, EPEAT[®] Gold² and TCO Certified Displays. Power saving features such as PowerNap also help you minimize your power consumption.

Flexible tilt feature lets you adjust the monitor to an angle that fits your viewing needs.

Connectivity

- A** Power adapter
- B** HDMI/MHL
- C** VGA
- D** Audio line-in
- E** USB upstream
- F** USB downstream x 2
