

High-impedance mic cable—XLR to 1/4-inch connector, 20 ft./6 m length.

Roland's Black Series microphone cables deliver professional performance and exceptional value. Our multi-strand, oxygen-free copper core wire translates the true tones of voices and instruments, while high-density spiral shielding eliminates unwanted noise. Incorporating high-quality connectors and a low-capacitance design, these rugged cables provide pure, natural, and accurate sound everywhere you play.
