

PRODUCT OVERVIEW

Rich, full bass

Feel full bass. A down-facing subwoofer with a 4" driver provides a rich bass experience with these 2.1 speakers.

Compact, efficient design

Don't sacrifice valuable desk space for great sound. The inclined design of Z213 directs sound right to your ears.

Convenient control pod

Adjust the volume and power on and off with this 2.1 speaker system.

Adjustable bass

Turn up the bass to your acoustic needs with a separate control knob at the back of the subwoofer.

Listen in privacy

For privacy when you need it, a headphone jack is conveniently built into the control pod.

Add a Bluetooth Audio Adapter

Listen to music from your *Bluetooth*® wireless devices—smartphone, tablet, PC—by adding Logitech *Bluetooth* Audio Adapter.
