Magazine LCD Advertising Player

Catalogue:

Product Overview

Magazine advertising player is a new media concept, refers to the LCD advertising player hanging in the wall, generally applied in large shopping malls, supermarkets, hotel lobbies, restaurants, cinemas and other public places where people gather. The network version of the Magazine advertising machine can input and play program information through USB and TF CARDS, and can also connect to the network for remote control and management. Multi time switch machine can be set without special person's duty. Remote control setting, easy to operate and improve confidentiality; Double anti-theft, equipped with door lock protection, prevent multimedia card theft and file content leakage; is the current mainstream form of advertising media.

Chapter 1: Main Technical Parameter：

Display Model	
Display screen	LCD screen LED backlight display
Image scale	16:9
Display resolution	1920*1080
Display brightness	350cd/m2
Contrast	1200:1
Display angel	≥178º
Life time	50000h

Response time	5ms
System configuration	
Core solution	Android 5 6 7
CPU	RK3288
Memory	2G
ROM	8G
Optional	32/64/128 G
Internet	LAND、WIFI、3G/4G
External ports	USB*2、SD card、RJ45、TF
Internal ports	USB、GPIO、AVIN、MIC、SPK
Multi media	
Media formal	video：wmv、avi、flv、rm、rmvb、mpeg 、ts、mp4 picture：BMP、JPEG、PNG、GIF voice：MP3、WMA
Display style	Landscape, portrait, split screen
LVDS out	1, direct drive 50/60Hz lcd screen
HDMI out	1, support 1080P out
Machine parameter	
Product size mm	1700*375*40
NET weight	25KG

language	Multi language package
color	Silver black, white
Audio speakers	10W*2
ON/OFF function	support
Power	100-240V，50-60Hz
power dissipation	60W
Temperature	-20℃-40℃
Humidity	10-90%RH
Accessories	WIFI antenna、 screws、 key、 warranty、 certification remote control power line
	Program background edit server software set

Certificate	CE，FCC, ROHS, SGS
