Wireless mirroring from computers, mobile phones and tablets (Android/ iOS).

Displays 4 devices at the same time.

X-View Wall
All-in-one LED Display

SPECKTRON

Crisp and Powerful sound.

The X-View Wall is a powerful large screen display that combines elegance and simplicity. Experience professional grade sound with the 2 x 30w built in speakers.

Simplified user Experience.

X-View Wall is the most advanced large screen display on the market. It's powered by Android and you can control it with a remote control just like a TV.

Modular design for easy setup.

The X-View wall uses a modular construction with no complicated cable management or complex setup.

Easy Maintenance.

Front access and hot swap makes servicing and maintenance extremely easy.

X-View Wall
